

# CALMING VANILLA BODY RITUAL

It's time to release the anxiety of 2020 and reset with a renewal of your mind, body and senses. The treatment begins with a warming vanilla exfoliation which assists in soothing and calming of the skin while indulging the senses. Allow your body to unwind while our therapist transitions you to a place of deep relaxation and renewal through rhythmic motions and kneading techniques.

A nourishing hand treatment is included.

90 mins | \$295
